Southern District of New York

Re: **In re September 11 Property Damage and Business Loss Litigation,
21 MC 101 (AKH)**

**Aegis Ins. Services Inc., et al. v. The Port Authority of New York, et al.
02 CV 7188 (AKH)**

Dear Judge Hellerstein:

I represent the plaintiffs in the above caption matter. The remaining defendant, Port Authority, has filed a motion for Summary Judgment and our responding brief is presently due on January 12, 2012. At the time the briefing schedule was set at a status conference with the Court, I anticipated that the motion that would be filed was going to be based solely on this Court's ruling granting Summary Judgment to the Silverstein entities and Citigroup in case 1:04-cv-7272-AKH on September 23, 2011. I expected to be able to file our opposition papers by the January 12 date.

The motion as actually filed by Port Authority is not only based on the ruling made in the Silverstein and Citigroup case, but is based upon alternative grounds as well.

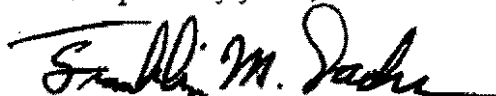

Port Authority has consented to an extension of time for the filing of our opposition brief until February 14. I have consented to an extension of the time for them to file their reply brief until March 6.

If these arrangements between the parties are satisfactory to the Court, I would appreciate the Court so ordering the new briefing schedule.

Respectfully yours,

Franklin M. Sachs
